

Journal of the Malaysian Society of Applied Biology

Full Research Article

Immune cell population harbouring virus in equine herpesvirus type-1-infected mice

M.L. Mohd-Azmi

| [Abstract & References](#) | pp. 1 |

Preliminary study on the optimum level of giant mimosa (*Mimosa pigra* L.), a noxious tropical weed, as practical diets for the culture of hybrid red tilapia (*Oreochromis sp.*)

)

Lim Sok Hoon and Ahyaudin B. AH

| [Abstract & References](#) | pp. 13 |

Convergences in within-plant distribution of *Aphis gossypii* glove (Homoptera: Aphididae) and its predator

Menochilus sexmaculatus

Fabricius (Coleoptera: Coccinellidae) on chilli plants

Hassan, S.T.S., Lee, F.C., Hussein, M.Y., Maisin, N. and M.M. Rashid

| [Abstract & References](#) | pp. 19 |

Antimicrobial susceptibility and plasmid profiles of *Salmonella enteritidis* isolates from human and poultry

C.F. Loke, Raha, A.R., Rusul, G., Son Radu, and Yusoff, K.

| [Abstract & References](#) | pp. 29 |

Growth response of sentang seedlings to nitrogen and phosphorus application

Ong Kian Huat, Kamis Awang and Thomas W. Kimmerer

| [Abstract & References](#) | pp. 37 |

Effect of calcium antagonist on the calcium and cholesterol levels of guinea pig fed on high calcium diet

Zuraimay, Z., Zamri, B., Sharifa, A.A. and Mohd Azman, A.B.

| [Abstract & References](#) | pp. 43 |

RAPD-PCR analysis, antibiotic resistance and plasmid profiles of *Escherichia coli* isolated from village and broiler chicken

Son Radu, Samuel Lihan, Gulam Rusul and Zuraini Mat Issa

| [Abstract & References](#) | pp. 49 |

Some morphological and biological peculiarities of *Microplitis prodeniae* Rao et Chandry (Hym., Braconidae) an internal parasitoid of the cutworm (*Spodoptera litura*) on soybean

Dang Thi Dung and Ha Quang Hung

| [Abstract & References](#) | pp. 59 |

Composition of parasitic insects of soybean cutworm and eco-biological characteristics of *Microplitis prodeniae* Rao et Chandry (Hym.: Braconidae) parasitic on *Spodoptera litura* F. (Lep.:

Noctuidae) in Hanoi and surrounding areas in Vietnam

Dang Thi Dung and Vu Quang Con

| [Abstract & References](#) | pp. 63 |

The effects of extracellular calcium on acetylcholinesterase activity in haruan, *Channa striatus* and cockles, *Anadara granosa*

Abdul Manan Mat Jais, Muhammad Zin Mohamed, Hasiah Abdul Hamid and Abdul Salam Abdullah

| [Abstract & References](#) | pp. 69 |

Immunostimulatory effects of levamisole and egg white powder on humoral and cellular immunity to Newcastle Disease vaccination

M. O. Abdalla, M.E.H. Mohammed, A.S. Ali, MM. Mukhtar and M.L. Mohd-Azmi
| [Abstract & References](#) | pp. 73 |

Mendelian inheritance of random amplified polymorphic DNA (RAPD) markers in the river catfish, *Mystus nemurus*

Chong, L.K., Tan, S.G., Siraj, S., Christianus, A. and Yussof, K.
| [Abstract & References](#) | pp. 79 |

Polymerase chain reaction for detection of pseudorabies virus DNA in infected mouse tissues

M.L. Mohd-Azmi, A.S. Ali, N. Musa and /. Aim
| [Abstract & References](#) | pp. 85 |

The reproductive cycle of male insectivorous bat, *Scotophilus kuhlii*, from Peninsular Malaysia

S.M. Bong, G.S. Yew, A. Zubaidin and A.B. Kamis
| [Abstract & References](#) | pp. 93 |

Assessment of detoxifying enzymes in *Callosobruchus maculatus* resistance against legumes

Janarthanan, S., Venugopal, K.J. and S. Ignacimuthu
| [Abstract & References](#) | pp. 99 |

List of pimply species (Hymenoptera: Ichneumonidae) at Institute of Biological Sciences, University of Malaya, insect collection centre

Azidah A. A.
| [Abstract & References](#) | pp. 105 |

Effects of styrylpyrene derivative (SPD) on expression of bcl-2 and box genes in human ovarian carcinoma cell line, *Caov-3*

Teoh, P.L. and Azimahtol Hawariah, L.P.
| [Abstract & References](#) | pp. 107 |

Correlation of CA²⁺ion and acrosome reaction with presentation of MI fusion protein in hamster spermatozoa

Mahanem Mat Noor, M.G. Jumaidah and H.D.M. Moore

| [Abstract & References](#) | pp. 113 |

An antitumor-styrylpyrone derivative (SPD) lowers serum cholesterol levels and atherosclerotic lesions in hypercholesterolemic rats

M. Y. Seri Chempaka, L.P. Azimahtol Hawariah, A.S. Halimah and M.S. Hasidah

| [Abstract & References](#) | pp. 125 |

Short Communication

DNA diversity among poultry isolates of *Salmonella chincol* detected by random amplified polymorphic DNA (RAPD) fingerprinting

Sahilah, A.M., Son Radu, Endang, P., Rusul, G. and Samuel, L.

| pp. 9 |

A note on the effectiveness of aloe vera (*Aloe chinensis*) on wound healing in mice

A. Salam Abdullah and P.K. Yau

| pp. 25 |

Notes on substrate specificity for O-Demethylation by *Acetobacterium woodii*

Mohd Sahaid Kalil, Muhammad Zaki and Gillian M. Stephens

| pp. 119 |

Notes on oxygen consumption and some related blood parameters in two species of bats (*Cynopterus brachyotis* and *Scotophilus kuhlii*) found in Peninsular Malaysia

A. Asogan, A. Zubaid and A.B. Kamis

| pp. 123 |
